

WHAT TO DO WITH EXTRA HOA LANDSCAPE BUDGET

ENHANCEMENTS

PLANT
REPLENISHMENT

Does your HOA have extra budget this year? Not sure where to spend it? You can optimize that extra spending power by investing in your landscape design.

ARBOR CARE

ENHANCEMENTS

These projects go above and beyond the everyday landscaping maintenance of a property and involve upgrades to the community that will not only save money in the long term but also will increase the value and appeal of the community.

PLANT REPLENISHMENTS

Plant replenishments are notable as that are a great way to give a property a noticeable upgrade in a quick yet impactful way. Your landscape management company can help you achieve this by taking a full inventory of your current plants and offering recommendations on which to remove/replace.

ARBOR CARE

Trees are the largest asset to any HOA community or property and investing in trees will always increase value.

LANDSCAPE MANAGEMENT

Finding a landscape management company with divisions that can perform all of these is a great way to get the best bang for your buck! We call it a one-stop shop for all of your landscaping needs and it is a must!

Here at ELS we have five divisions that can best service all of your needs when it comes to the landscape of your HOA. Check us out at the QR code or click any of the titles on this infographic to be directed to our page.
